Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

The prior arts of record do not teach the memory device comprising a functional media having a passive layer and an active layer that exchange electrons or holes to change an impedance state of the memory device when subject to an external electric field or light radiation in which the active layer has a thickness that is about 0.1 to about 500 times greater than the thickness of the passive layer .

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to Examiner Ngan Ngo at telephone number (571) 272-1711. The fax phone number for the organization where this application or proceeding is assigned is (571)-273-8300.
